Erratum

The initials of one of our authors in two issues of our publication, Vol. 32, No. 2, 2003 in the paper titled: "A comparative study of the wound healing properties of honey and *ageratum conyzoides*" and Vol. 33 No.1 2004 in the paper titled: "Wound healing activities of methanolic extracts *ocimum gratissimum* leaf in wistar rats - a preliminary study," were wrongly written as ADEWOYIN O.O. instead of **ADEWOYIN B.A**

The error is regretted.
